The team visited Jaipur Campus, Jaipur Rajasthan on 28th September 2021 and submits its Report as below:

I. Academic Details

Jaipur Campus of Central Sanskrit University is dedicated to Sanskrit teaching, research and training in Sanskrit Education. It is a premier Sanskrit institution not only among all the campuses under Central Sanskrit University, New Delhi, but also in whole of Rajasthan.

Jaipur Campus offers **five** programmes of studies, namely Shastri, Shikshashastri, Acharya, Shikshaacharya & Vidyavairdhi & along with Diploma in Yoga and Ayurveda Sahitya. Apart from that self-finance courses in Jyotish & Vastu are also conducted. To upgrade traditional students with mainstream, a few new emerging subjects have also been incorporated in some of the courses at degree level. These subjects are – Computer Science, Environmental studies, Sociology, political science, English, Hindi, Value education, Yoga education, Human rights, Educational Technology, Educational Psychology etc. At present, the campus has **57** members of teaching staff out of which **34** are permanent and **21** are on Contract/Guest. Among the permanent faculty, there are **19** Professors, **02** Associate Professors and **13** Assistant Professors. Among the entire faculty, total **14** teachers are female. All Faculties on contract basis have been selected as per UGC norms.

Jaipur campus is seriously engaged to translate the vision and mission of its university into reality. Besides, it has also taken a step forward to highlight and preserve Rajasthan's rich Sanskrit heritage. It is well known that Rajasthan is called second Kashi due to excellent scholarly pursuits by many Sanskrit Scholars. In addition to teaching, training and research activities, Campus has initiated projects and organized various seminars, workshops etc. in this regard.

Campus gives top priority to undertake in-depth studies into the traditional Sanskrit knowledge systems. Our campus is the preferred destination for Sanskrit Education in Rajasthan. It is, even, attracting students from other parts of the country. In session 2020-21-year **1108** students took admission in above-mentioned programmes of studies. Additionally, Campus also runs diploma courses in Yoga with Ayurveda. Prakrit introductory & Pali introductory courses are under the distance education programs. Many alumni of our campus have got best placements in state as well as central services. It is proud to say that many principals of various Govt. Sanskrit schools and Colleges of Rajasthan are from our Campus. Our students have also excelled in Rajasthan Administrative Service Exams as well as UPSC exams.

2. Specialization in the Campus

- ❖ The team noted there are nine departments in the Campus, in addition to Distance education offered in Shastras via Vyakarana, Jyotisha and Sahitya besides Prakshastri, Bridge courses and Certificate courses.
- ❖ Fully Sanskrit environment.
- ❖ Degree, Diploma and Certificate courses in Applied and Job-oriented subjects like Jyotish (Archeo-astronomy and Vedic astrology), Vastu (Indian Architecture), Ayurveda and Yoga and ShikshaShastra (Education) are to be offered.
- ❖ The strength in Shastra and Shiksha Shastra wings is satisfactory.
- ❖ The Campus has e-learning Portal. The class-wise notes and tutorials available on these e-learning platforms can be availed by all students.

3. Admission Procedure

- ❖ The system followed in admission fool proof. However, Entrance Test conducted for admission into Prakshastri, Shastri, Shikshastri, Shikshaacharya course also. Liberal admission procedure could be thought out and adopted to encourage tribal population of this area. In future, certain percentage of seats may also be ear-marked for this category.

4. Seminars/Conferences/Symposia/Workshop conducted:

- ❖ The Team noted that the Campus is organizing one or two National Seminars every year and one Departmental Seminars in each Department. The Campus is bringing out an annual UGC CARE Listed Journal and one departmental Journal both journals are registered.
- ❖ During the challenging Corona pandemic, online co-curricular activities, while following the governmental guidelines regarding COVID-19, were done properly and published chronologically on official webpages and Facebook groups.
- ❖ During the challenging Corona pandemic, online curricular activities (classes and lectures), while following the governmental guidelines regarding COVID-19, were done properly and extensively through several meeting and classroom apps like ZOOM, Google meet, Teach mint, along with You tube and Facebook and published chronologically on official webpages, Facebook group and you tube channel. To function

online classes smoothly ‘**E-learning**’ web-portal is also introduced which has plethora of Video-tutorials and documents related to each and every subjects.

5. Working Space Available

- ❖ The Team is satisfied with the infrastructure and it is observed that the available working area is optimally being utilized.
- ❖ Sufficient number of class rooms with all necessary facilities is available in the Campus. Smart Classes, language Lab, Psychology lab, Technology lab, Computer Lab are satisfactory furnished.

6. Infrastructural Facilities

- ❖ The Campus has sufficient space to accommodate Academic Block, Administrative Wing, Library, Auditorium, Conference Hall, Gymnasium, Hostels for Boys and Girls.
- ❖ The library is accommodated in a spacious hall with a collection of 32170 Books and few journals, Magazines including newspapers, reading rooms & other related equipment.
- ❖ All departments have separate departmental library consist specific books.
- ❖ The team noted that the Campus has separate reading room. Water Coolers with Purifiers, CCTV Cameras installed, Smart Classes, language Lab, Psychology lab, Technology lab, Computer Lab and Telescope to gaze the celestial phenomenon.
- ❖ Playground for outdoors sports. Volleyball Court, Lawn Tennis court, Badminton Court, Gymnasium, Yoga & Ayurveda center.
- ❖ The Team observed that the Campus has launched its own website and maintained well.

7. Faculty Profile

- ❖ Publications: The Campus has published annual UGC CARE Listed Journal and one departmental Journal both journals are registered.
- ❖ On enquiry and during interaction with teachers, it is brought to the knowledge of the Team that the teachers have attended a number of Inter-universities, and National level programs as participants and Resource Persons, which deserves appreciation.

- ❖ The Campus organizes Extension Lectures, Seminars, and Workshops every year.

8. Research Facilities

- ❖ Various journals, books, magazines, etc. are subscribed to promote the research activities of the campus.
- ❖ Research paper presentation is organized at regular intervals to share the research knowledge with outside world.
- ❖ Separate Research Room with A.C., 07 Computers with Net facility, Intercom system & well-equipped Library.
- ❖ Library should have more titles, reference materials and subscribe journals to facilitate research

9. Student Profile

- ❖ Result in the examinations of the students is satisfactory. However, remedial coaching, special classes, study hours in hostels may enhance the result positively.

10. Strength of The Campus

- ❖ Staggering number of Placements
- ❖ Dedicated ministerial staff
- ❖ Committed faculty
- ❖ Adequate funds
- ❖ Support from the HQ
- ❖ Good local support for the development of the Campus

Observations/Recommendations

1. All academic beings are found are well organised.
2. Timetable and student attendance system is regular.
3. Teaching and research work is regular and systematic.
4. The implementation of diploma of Yoga and Ayurveda is good in respect of its utility.
5. The scheme for Prakrit should also be extended for Pali.
6. Curricular and Co-curricular achievements of students of all departments are noteworthy.
7. Records display the regular participation in seminars, workshops and conferences etc.

8. File keeping, arrangement of bills and vouchers is as per the norms.
9. Various committees have been formed for good implementation of departmental activities labs also well organised.
10. Anti-raging arrangement, sports, hostel, mess and student health care arrangements are satisfactory.
11. Work and behaviour of all the officials, teachers and other employees is quite appreciable.
12. Students are getting placements in various fields along with acquisition of self-dependence.

Suggestions: -

1. Appointment of Librarian may be made.
2. Purchase of books may be made on annual basis as per norms.
3. Regular employees may be appointed for MSP.
4. Campus journals and other magazines may be published regularly.
5. The group insurance beneficial schemes may be provided to all the students.
6. Vacant Teaching and Non-Teaching posts may be filled regularly as per norms.
